# Compassion and Care For All Animals

The Humane Society of the Ochocos is a no-kill shelter for lost, stray and abandoned animals. Organized in 1995 to fill a need in Crook County, the staff and volunteers work tirelessly to find homes for the ever-increasing number of homeless animals.

Every animal admitted to the shelter receives medical care, a warm safe environment in which to heal and learn to have a trusting relationship with a new family. For some animals this is a short-term program. For others, the wounds from past treatment require a longer commitment.

**Our Mission** is to help create a community

responsible for animals, to give shelter to stray and abandoned domestic animals, and find them loving, permanent homes. We are also dedicated to improving the welfare of all companion animals by promoting spay and neutering, and other expressions of responsible pet ownership.

Tivi is one of the HSO's well-known success stories. He came to the shelter from terrible abuse, took the time he needed to heal before finding a new loving home.

## Making A Difference

The shelter activities are primarily funded through the generosity and support of community members. Because of this we are diligent at being good stewards of all gifts. Donations help our work to develop the most effective programs that nurture homeless and abandoned pets, prevent animal overpopulation and help to find loving homes for those in our care.

### How Your Donations Are Put to Work:

- Each year we find new homes for more than 1,200 animals.
- We work to address the overpopulation problem through a spaying and neutering program.
- We recruit and train volunteers (the cornerstone of our shelter) to help socialize and care for animals.
- We secure foster homes to help with shelter overcrowding and provide a family atmosphere for the animals.
- We reunite lost pets with their families.
- And, we care for an average of 280 animals every day.
